

PE/Sport Premium Report

2021 – 2022

Primary PE and Sport Premium - Key Indicators

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

2. The profile of PE and sport is raised across the school as a tool for whole-school improvement

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport

4. Broader experience of a range of sports and activities offered to all pupils

5. Increased participation in competitive sport

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	No data available – Covid 19 disruptions
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	No data available – Covid 19 disruptions
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	No data available – Covid 19 disruptions
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes - for the current Y5 cohort to compensate for their missed lessons last year.

Key achievements to date until July 2021:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> We have a smart new sports kit, provided by a sponsor Our Year 6, Year 5 and Year3/4 football teams have been successful and we were particularly proud of our girl's football team, who showed real grit and determination throughout their competitions. Our athletics team are starting to really develop too. We had increasing numbers of participation in sports clubs and the Friday dance session on the playground was over-subscribed. We maintained our Silver award for the School Games Mark and are now working towards Gold. 	<ul style="list-style-type: none"> Need a close eye on swimming as so many pupils missed out last year due to Covid 19 school closures. New PE curriculum/fact files need further embedding, together with the use of the Depth of Learning framework to assess and identify gaps in learning/skills. We need some CPD support for teachers who are lacking in confidence given they have not taught PE the same for a period of two years. We need to look at further developing playtime resourcing. We are having a new playground laid and will need to revamp play provision The forest school area is being developed and will be safe for use in Jan 22 – we need to think about curricular links and planning effective use of the area.
