

Arbor Parent Portal and App

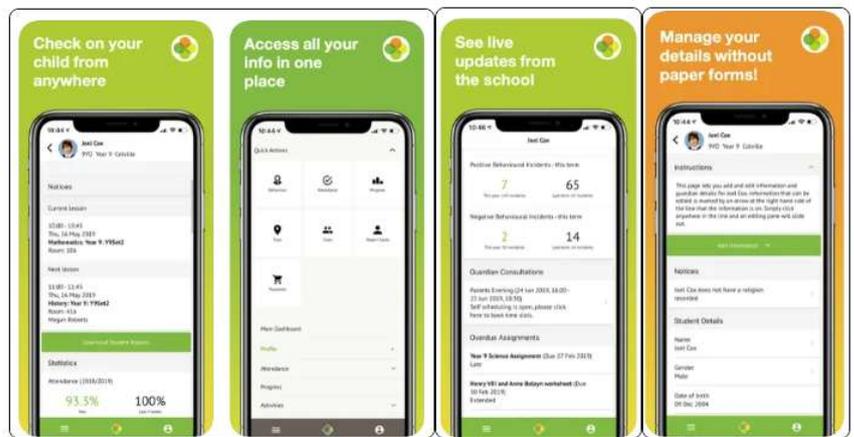

We have recently launched our parent portal/app and all Primary Guardians should have received a 'welcome email' direct from Arbor. If you were expecting an email and have not received one, please contact the office and we will resend the link.

How the App Works

Arbor is the free parent app that gives you direct access to your child's attendance, consents, activities, trips and much, much more. You will also see that we update and change the information in the app as the school year moves along.

You can use the app to:

- look at the after-school clubs they attend;
- book parent's evening appointment (after February half term);
- let us know about any consent or address/contact detail changes;
- add/change any medical information about your child.
- look at your child's key attendance information, including their percentage attendance for the year so far.

We will continue to use Class Dojo for day-to-day communication.

The **Arbor** app is available for both Apple iOS and Android devices and can be found using the steps below:

Step 1 - Go to your App Store

Step 2 - Search for **Arbor**

Step 3 - Download the Free app

Logging in for the first time

Once you have received the 'welcome email', follow the simple set-up instructions to get started using your **Arbor App**.

If you have any questions or need support, please contact the office. We are here to help!

We're using Arbor's free Parent Portal and Parent App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
