

PE/Sport Premium Report

2019 – 2020

Primary PE and Sport Premium - Key Indicators

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

2. The profile of PE and sport is raised across the school as a tool for whole-school improvement

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport

4. Broader experience of a range of sports and activities offered to all pupils

5. Increased participation in competitive sport

Meeting national curriculum requirements for swimming and water safety.

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?

76%

N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?

0%

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?

20%

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

No
